Application for Year 7 Enrichment Class 2025

Punchbowl Boys' High School provides an enriched environment with stimulating intellectual challenges and opportunities for our students to turn their gifts into talents. Through specifically targeted programs, our highly qualified staff aim to enrich our students academically, in sport and through critical and creative thinking.

Students who are interested in admission to the enrichment class for 2025 are required to complete the following steps:

1. Register for the selection test before 1 March 2024 Week 6 Term 1.
2. Complete an application form. Application forms are available from our school website or by contacting our School.
3. Prepare a portfolio. Portfolios should give the selection panel at Punchbowl Boys' High School an opportunity to understand each student's profile in the academic domain as well as their application to their studies. We are also very interested in their extracurricular achievements beyond the classroom. Each prospective candidate is encouraged to tailor their portfolio to their individual strength but a typical application should include:

- A statement from the student indicating why they wish to be considered for the Enrichment Stream
- At least two recent school reports (Semester 1 and 2, Year 5)
- NAPLAN results from Year 5
- Evidence of leadership achievements or potential (school captain etc.) Involvement in extracurricular activities (sporting, dance, music, drama etc.)
- Any competitions won or attempted
- Documents highlighting commitment to areas such as community, arts, leadership & sports.

Students that are selected into the program will receive:

- Fully paid Year 7 and 8 School Fees
- Free entry into selected programs and competitions
- Resource Pack
- \$100 excursion credit

The application form and portfolio can be submitted:

- In person at the school office
- By email: punchbowlbh.school@det.nsw.edu.au

We will ask candidates to sit a test and attend an interview. We will contact you in a timely manner with full details of what is required.

Any queries in relation to this process and/or the portfolio, please contact Eman Klink [\(02\) 9708 6122](tel:(02)97086122).

Thank you, best wishes and good luck with your portfolio and application.
